Dear MR. MAPOHA ,

This is to confirm that you have met all the prescribed academic requirements for the award of **BACHELOR OF COMPUTER SCIENCE HONOURS (SOFTWARE DEVELOPMENT)**. The qualification will be formally awarded on **08-MAY-2026** at the Namibia University of Science and Technology Graduation Ceremony.

Pleasenote:

- All students (NQF: Level 7 and above) are **ALLOWED** to attend the graduation ceremony however,
- If your account is in arrears, you **WILL NOT** receive your certificate. Please note that your academic record will be blocked, and no certificate verification will be done.
- Please contact Student Debtors at studentdebtors@nust.na to request your outstanding balance and arrange payment.
- If the address or biographical details above are incorrect, contact the Admissions Department at admissions@nust.na or visit your nearest Regional Centre/ Satellite campus.

All programmes at the Namibia University of Science and Technology, previously known as the Polytechnic of Namibia are offered through English as a Medium of instruction.
