RE: Application for the Cattle Receiver Position

Human Resources
Savanna Beef Namibia
Windhoek 10005, Namibia

Dear Hiring Manager,

I'm writing to apply for the position at Savanna Beef Namibia. I grew up in the village with my grandmother, so I've been around animals and livestock since I was a little boy. I also have cattle of my own, so I'm very comfortable handling livestock safely and efficiently.

I have practical experience in moving, sorting, and managing cattle, and I understand the importance of hygiene and proper animal handling. I'm physically fit, disciplined and working shifts, weekends, overtime, and public holidays won't really be a problem for me as it would be a great opportunity for me to make some extra cash.

I know how to work really well with people, whether it's customers or my fellow colleagues, also I treat everyone with the outmost respect regardless of who they are or where I meet them. I'm reliable, hardworking, and eager to contribute to Savanna Beef Namibia while gaining more hands-on experience in the beef industry.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience with livestock can add value to your team. I am available for an interview at your convenience.

Kind regards,

Tjitouua Mapoha
